PROCEEDINGS

Parties appear telephonically (due to restrictions associated with the COVID-19 pandemic) for hearing on the government's appeal of the Magistrate Judge's order for pre-sentence release. The Court has reviewed the docket, including the memoranda, exhibits, the bail report, and the transcripts of the hearings before Magistrate Judge Beeler. In addition, the Court has presided over this matter for the past seven years and is familiar with the progress of the case. The Court summarizes all the factors considered in making an appropriate decision as to whether Mr. Hymes should be released from custody pending sentencing, which is currently set for August 13, 2020. Argument of counsel heard. Mr. Hymes heard on his own behalf.

For the reasons outlined on the record, the Court reverses Judge Beeler's order for presentence release. Mr. Hymes will remain in custody. Counsel may contact the Court if they wish to stipulate to a sentencing date earlier than August 13, 2020.
